Subject: Fw: Two Level 4 Data Packages from Test America

If the Dimock data packages need to be entered in the CSF, please talk to **Ex. 4 - CBI** and have her notify **Ex. 4 - CBI** and I when they arrive and have her provide me with the information necessary to log them. So far, this isn't being done and the only packages entered in the CSF were the first few that I sent out. No other information has been shared even after I mentioned this to **Ex. 4 - CBI** last week.
